Kids Kitchen

Our classes take place once a month on a Saturday afternoon from 2.30pm to 5.00pm. The classes are fun and informal, whilst teaching basic culinary skills, some tasty recipes and of course, covering simple nutrition. We know that cookery skills are the first steps to making healthy food choices. We offer your child a chance to learn about food, try new foods and gain confidence using cookers and utensils.

Children work in groups and individually.

Best for children aged 8-13 years old

Price £30 a class

4 classes for £100

Book on the website www.kitchenschool.co.uk/kidskitchen
